### **GENERAL RULES: Also See Rules Governing Entries, Exhibitions and Awards, General Rules, and Rules for Livestock.**

1. All Poultry must be owned by May 1st of the current year, except for birds used for meat pens, which must be owned within one week of hatching.
2. Each exhibitor may enter a maximum of FIVE pens of poultry with up to ONE of the FIVE pens being market birds.
3. Tag-in and pullorum testing will take place the first week of June (Time and place to be announced). NPIP numbers on all birds are no longer acceptable. A pullorum blood test is necessary to enter the fair.
4. All poultry must meet health requirements set forth by the Michigan Department of Agriculture Animal Industry Division. See Michigan Department of Agriculture Animal Industry Division Requirements for Livestock Exhibited in Michigan for specific details. No bird can be put in a cage until it has been tested for pullorum-typhoid and the test is negative. An authorized tester will be available up to 45 days prior to the fair at the discretion of the superintendent and certified tester. Exhibitors or their representatives must be present and assist in handling of their birds during testing and check-in.
5. All poultry must be clean and parasite free. The Superintendent or designee will inspect each bird at check-in on Sunday. Approval must be given before the birds are put in their assigned cages. If parasites are detected, the exhibitor will have one opportunity to treat affected bird(s). Upon second inspection by the Superintendent, if live parasites are still present the exhibitor will not be allowed to exhibit the affected bird(s). Check in Sunday Pre-Fair 9-11 am
6. All poultry and eggs must be in cages by 3:00 pm Sunday, pre-fair.
7. Birds must be fed and watered daily by 10:00 am (8:00 am on show day.) Exhibitors will provide clean and like new feed and water containers appropriate for their poultry according to breed and size. Containers must be fastened to the front of the cage to prevent spilling.
8. All exhibitors must clean their floor pens and cages, and areas under cages must be swept out by 10:00 am daily (8:00 am on show day). ALL bedding must be completely replaced on auction day, Thursday, by 8 am and as needed at the superintendent's request. Exhibitors not complying with this rule will have a \$20.00 per cage per day charge payable to EMSF Poultry.
9. At the time of animal release, Sunday a.m. post-fair, all poultry must be removed from cages by 10:00 am. Cages must be cleaned and taken down. Area under cages must be completely cleaned. All wood shavings and manure must be put in the proper place. Superintendent must inspect cages and area under cages before release is approved. Exhibitors not complying with this rule will have \$20.00 per cage deducted from their livestock sale check.
10. All native game birds shown must have proper permits.
11. Failure to comply with any of the rules, or lack of care of a member's animal, may result in removal of the exhibit and forfeiture of sale privileges and/or exhibiting privileges for not more than 2 years at the Eastern Michigan State Fair.
12. Pen sheets must be filled out at time registration.
13. Barn duty is required by every exhibitor to share equally. Time slot sign up will be determined once the number of exhibitors is known.
14. Upon judging, the judge's ruling is final.

## **MARKET POULTRY RULES**

1. Each pen of meat class birds must be market age, generally 6 months or younger, and of the same sex and variety.
2. All meat pens will be weighed at time of check in. No more than 6 birds per exhibitor will be weighed. Exhibitors or their representatives must be present to handle birds during weigh-in and decide which 3 birds will be in their meat pen.
3. All meat pens receiving an "A" ribbon will go to sale. "B" ribbon will **NOT** go to sale but remain on fairgrounds. Seller is responsible to take birds to processor, pay processing fee, pick poultry up from processor & deliver poultry to buyer, unless buyer has requested otherwise.
4. All exhibitors showing a poultry meat pen must show in poultry showmanship, in order to sell.
5. A game bird meat pen consists of one of the following species: quail, partridge, guinea, or pheasant.
6. It is recommended chickens be 6 to 10 weeks of age and 6 to 10 lbs. Ducks are recommended to be 20 weeks of age with a minimum weight of 4 lbs. and Turkeys be 20-24 weeks of age with a minimum weight of 17 lbs. per bird. Freedom Ranger chickens are recommended to be 12-16 weeks and 6-10 lbs. in weight and Geese should be 15-20 weeks and a minimum weight of 6-12 lbs.
7. The recommended weight difference between the lightest and the heaviest bird in the pen should not be more than 4 oz. for quail, 2 pounds for turkeys, and 1 pound for all other meat pens.
